## ACCIDENTS HAPPEN. But it doesn't have to set you back.

Let Nationwide® help. Our **GROUPROTECTOR**<sup>SM</sup> accident medical insurance provides peace of mind that keeps future leaders focused on their duties. Our policy provides medical expense benefits as well as death and specific loss benefits to all JROTC (Junior Reserve Officers' Training Corps) and ROTC (Reserve Officers' Training Corps) instructors and cadets. It also covers trips and outings, camps, military balls, drill meetings, parades and other events.

### Is an excess medical plan right for your group?

- Ideal for groups with participants generally covered by other insurance
- Typically the last plan to pay claims after a covered event
- Will not pay covered expenses to the extent paid by other insurance coverage
- Essentially pays for other plans' deductibles and coinsurance
- Also pays remaining expenses after benefits exhausted from other plans

### Who in your group is covered?

100% of the following individuals are insured:

- JROTC and ROTC instructors and cadets
- Any guests being encouraged to join who are attending meetings

Guest coverage applies to meetings only. They are not covered at other sponsored events.

### What activities are covered?

- All sponsored and supervised activities are covered
- Direct travel to and/or from group-sponsored activities

League sports and snow skiing are excluded.
